Teams Make A Difference!

THANK YOU for making the commitment to serve as a Team Leader at our 2017 Annual Safe From the Sun Walk & 5K Run.

Last year, we had over 70 Team Leaders step up to the challenge of encouraging others to make a difference. This year, we are inspiring and empowering teams to focus on fundraising. While we place tremendous value on team support and camaraderie, we realize that fundraising within those teams is a critical key to winning the battle against melanoma.

So be inspired...build a team...MAKE A DIFFERENCE!
